

FRANK'S
THE FLOORING STORE

Home Visits

If you can't come to us, don't worry, we can come to you!

Frank's The Flooring Store is happy to announce the launch of our Home Visit service.

During the current lockdown period, our stores have remained closed to the general public. However, we have been working with our team to deliver a home visit service for our customers.

If you would like someone from Frank's to visit your home, safely, please follow the below instructions:

1. Contact your local Frank's store via phone to discuss your requirements and needs with the team, this will help us get an idea of what you need and what budget you have to work with
2. One of the Frank's team will come out to you on an agreed date with samples which you will be able to touch and get a feel of in your own leisure. We'll be able to measure up and get you a price there and then that'll meet your needs and budget
3. Once you have agreed on your flooring and price, we will book the next available fitting slot to meet your needs

Don't forget that Frank's stock the biggest range of carpets and flooring in the North East, backed by our price promise. We'll beat any price, including January sale prices!

Stay Safe.

Frank
